Dear Sir:

In the absence of President Falconer in Europe I beg to acknowledge the receipt of your communication of June 20th containing a report of the Committee appointed at Garden City to deal with Social Training in our Colleges and Universities.

I am enclosing a draft of a course to be instituted at the University of Toronto next September.

Yours very truly,

Dear Mr. Woodsworth:

I have on my return received your letter of June 20 enclosing the recommendations of your committee on social training in universities and colleges. I have to thank you for the report, which, however, owing to the accumulation of business I have yet been unable to study. I will gladly consider it as carefully as possible. We are hoping to get our course for social workers under way this session.

With kind regards, I am,

Yours sincerely,

President.
